ABOUT

- ❖ Third-year student with a penchant for web development and cloud computing, looking for a technical entry-level position. In the past few months, I've gained a strong interest in web development and have built some projects.

TECHNICAL SKILLS

- ❖ C, C++, Python, HTML, CSS, Javascript, SQL

CERTIFICATION

- ❖ AWS Cloud Practitioner Essentials (May'23)
- ❖ HTML, CSS and JavaScript for Web Developers by Coursera (May'23)

EDUCATION

- ❖ Computer Engineering | VIT Bhopal University GPA: 8.4 | (Aug'20-Present)
- ❖ XII (CBSE) | Himalayan Public School 2020
- ❖ X (CBSE) | Himalayan Public School 9.4CGPA | 2016

ACADEMIC PROJECTS

- ❖ **Weather Application Using HTML, CSS and Vanilla JavaScript**
With the help of an API, the app dynamically fetches weather data based on the user's location.
- ❖ **Covid-19 Awareness Website Using HTML, CSS and JavaScript**
The website created is focused on providing information and updates about the coronavirus pandemic, including statistics, prevention measures, and resources for those affected.

POSITION OF RESPONSIBILITY

- ❖ **Core Member, AdvITYa (Inter University Techno-Cultural Festival), 5K+ Footfall, INR 3 Lakh Budget**
- ❖ **Management Lead | Cyber Security Club, VIT Bhopal University** (Apr'21-Sep'21)

ACHIEVEMENTS

- Finalist among 10k+ participants at Skillyst Techtopia Coding Challenge held by Foundit (Mar 2023)
